

AN INSIDE JOB

Exodus 20:15

The heart of the commandment seems to beat for the dignity of the human being.

Five ways of stealing from others:

1. Through taking people, property or material things though they belong to another.
2. Through dishonest transactions.
3. Through stealing time.
4. Through stealing ideas.
5. Through stealing well-being.

Two ways of stealing from God:

1. Through neglecting to honor His name through tithes and offerings.
2. Through neglecting to live up to His name through lives of integrity.

Getting on the inside:

1. Let's beware of a tendency toward falling for instant gratification.
2. Let's beware of a tendency toward believing the illusions that what we possess will bring peace.
3. Let's beware of a tendency toward forgetting to whom we belong.
